According to the ASPCA, the annual financial responsibility to care for a dog is approximately \$580 for a small dog and up to \$875 for a larger dog. The annual cost to care for a cat is approximately \$670. These costs do not include one-time costs such as spay/neuter fees, collars, leashes, litter boxes, training classes, etc.

I certify that the above information is true and understand that false information may result in nullifying this adoption. I understand that this application does not constitute a "hold" on any animal. I also understand adoptions are not on a first come, first serve basis. Our adoption decisions are dependent on many factors, including but not limited to the compatibility of the family and home to the individual animal. I understand HSWC has the right to deny any application.
